MISSION STATEMENT

The Junior League of Collin County is an organization of women committed to promoting volunteerism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.
Dear Community Partner,

On behalf of the Junior League of Collin County, we would like to invite you to participate in our Sponsorship Program. As a Sponsor, you will help us disrupt the cycles of economic insecurity and family violence experienced by too many of our residents, and strengthen and advance women, children, and families in Collin County. The Junior League of Collin County has a strong record of proven service to the community, and is comprised of almost 1,000 visionary women who are agents of change within Collin County.

The Junior League of Collin County promotes volunteerism and impacts our community through outreach projects and initiatives which will impact over 60 local partner agencies and thousands of Collin County residents in the upcoming year. Our fundraising helps to support our initiatives within Collin County like C.A.R.E.S., Done in a Day, JuMP, My Friend’s House, and R.I.S.E. Our service to Collin County is widespread and includes, but is not limited to, projects which aid homeless children and adults, and provide mentors to struggling and disenfranchised youth.

Sponsorship benefits include logo recognition at events and in printed materials, access to some of our premier events, promotion via our website, social media, publications and through our almost 1,000 plus members.

Please join us as a sponsor this year and help us continue our legacy of service to create a better future for all of Collin County.

Sincerely,

Kelly A. Noonan
President, 2021-2022

'Neath the Wreath, JLCC’s largest annual fundraiser, helps fund over 9 full-time educational and charitable projects that improve life in Collin County.

JLCC collects donations for shopping cards for our community partners to distribute to the individuals and families they serve.

JLCC volunteers aid the Pediatric Eating Disorders Unit at Children’s Medical Center Plano by providing art and play therapy to the patients biweekly.

In partnership with City House’s Transitional Living Program, R.I.S.E. focuses on helping homeless young adults, ages 18-21, to mature and learn to live independently.

Done In A Day offers much needed volunteer support to non-profit organizations in Collin County for projects that can be accomplished in a one-time evening or weekend setting.

Women of Influence Awards recognize female community leaders that make important contributions and assist the residents of Collin County through their professional careers and volunteer work.

In addition to a weekly reading program, JLCC hosts events throughout the year for the children at My Friend’s House.

Piloted in 2013, the Juvenile Mentoring Program is a JLCC partnership with the Juvenile Probation Department of Collin County to serve as mentors for children between the ages of 12-15 years old who are on probation for non-violent, misdemeanor offenses.

JuMP has a 93% non-recidivism rate and was awarded the Colgate Bright Smiles Community Impact Award in 2016 by AJLI for JLCC’s work on the project.
The women of JLCC create innovative programs that have a profound impact in our community. Our members consist of women of all ages, socioeconomic backgrounds, career levels, and stay-at-home moms. We have the perfect audience for corporate sponsors seeking marketing opportunities while impacting the community.
